Focal Point Trainings

"Do not train a child to learn by force or harshness; but direct them to it by what amuses their minds, so that you may be better able to discover with accuracy the peculiar bent of the genius of each."

Plato

SMC trainings on Resource Mobilization

CP&D department arranged two days training for capacity building SMCs. Trainings were organized on Resource Mobilization under PRM initiative in sub-office Peshawar and Abbottabad in which total 260 SMC members participated. The trainings were conducted with the objective to mobilize SMC and Afghan communities for provision of space/ classrooms maintenance/ rehabilitation of building and WATSON facilities in the schools by utilize their resources for the best interest of schools.

Extra Curricular Activities

It is an evident from the past experiences that social campaigns can play a positive role in the outcrop of the important issues and sensitization of the target groups. Thus, CP&D department not only offering and serving education to targeted community but at the same time concentrating on social, moral and characteristic development through various patterns of social mobilization campaigns among the students, teachers and community members.

CP&D team organized sport events in girls' school before the annual examination. Girls' students actively participated in event and enjoyed the day. In the event, different types of games were played by students. i.e. Musical chair, tag of war, skipping rope, sack race and race.

AAR Japan team arranged

initial meetings at BEFARe Schools

AAR-Japan, BEFARe staff arranged Kick Off meetings at selected BEFARe Afghan schools of Pania 1, Pania 2 and Padana area. The agenda of these meetings were to give orientation on the project activities to the Afghan school staff. Participant of the meetings were briefed on 4 days TOT that will be arrange for the school staff in the summer vacations. It was found that Teachers and SMCs members were conversant with sanitation campaign and kids contests which augur well for the project future activities.
